DETAILED ACTION

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action or the MPEP.

Terminal Disclaimer

The terminal disclaimer filed on January 4, 2005 has been reviewed and is NOT accepted. An attorney or agent must be of record to have authorization to sign a terminal disclaimer in the capacity as an attorney or agent acting in a representative capacity as provided by 37 CFR 1.34 (a). See 37 CFR 1.321(b) and/or (c). Since Henry Bartony, Jr. is not an attorney of record, the disclaimer cannot be accepted.

In addition, there are three double patenting rejections, and applicant only submitted a disclaimer to one of the patents. Accordingly, the double patenting rejections must be maintained.

Double Patenting

Claims 1, 3, 4, 8-13, 15, 16 and 20 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-5 of U.S. Patent No. 5,779,675. Although the conflicting claims are not identical, they are not patentably distinct from each other because the claims of this application encompass the claims of the parent.

Claims 1-20 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-15 of U.S. Patent No.

5,899,885. Although the conflicting claims are not identical, they are not patentably distinct from each other because the claims of this application encompass the claims of the parent.

Claims 1-20 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 8-19 of U.S. Patent No.

6,371,938. Although the conflicting claims are not identical, they are not patentably distinct from each other because the claims of this application encompass the claims of the parent.

Allowable Subject Matter

Claims 1-20 would be allowed if terminal disclaimers as suggested above were filed.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
